

PROCEDURES TO PUBLISH A BOOK

1. Student writes/types a story (or dictates it to you).
 2. Student fills out a brief author biography sheet (see below side).
 3. Student gives story & completed biography sheet to teacher or turns to the office
Attn: Bulldog Press mailbox. Story can also be emailed directly to bulldogpress@stjameschoolah.org.
 4. A Parent's Club Bulldog Press volunteer will then edit and type the story onto labels and affix them to the pages inside a bound book.
 5. The book will be returned to the student's teacher for the student to illustrate (using their own drawings or photos) at home or during free time.
 6. Once illustrations are completed, the student then resubmits the finished book to his/her teacher or drops-off in the Bulldog Press mailbox in the office. The book will then be "published": each book is stamped with the official Bulldog Press seal and the student's name is placed on the Bulldog Press "Authors of the Month" bulletin board in front of the school offices.
 7. The "published" book is then returned to the student.
