

Happy Birthday!
This Book Was Donated to the
St. James School Library
to celebrate to birthday of

Child's Name 

2017-2018

St. James School Library Birthday Book Program

*Looking for a great way to celebrate your child's birthday?
Donate a book to our school library!*

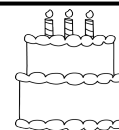

The Birthday Book program is a way for your family to help support our school library through the gift of a book! We will take a photo of your child with the brand new book they select from our collection.

We will add a special nameplate inside the front cover of the book.

If you would like to participate in this program, please return this form along with **\$10.00** cash or check payable to St. James School.

Thank you for your support!
