

8th Grade Newsletter – 8.31.18

Greetings. We have just a few news items this week.

1. The correct time for the Grandparents Day Mass on Friday, September 7 is 9:30.
2. We have been sending the message that 8th graders are considered to be the leaders of the school, and that they have high standards to meet. We know that you are reinforcing that on the home front.
3. Social studies will have a test on Thursday, September 6 (Chapter 8, sections 1 & 2) and a political science quiz on Friday, September 7.
4. Thanks to everyone who joined us at PIN this past Wednesday. It was great to see all of you. Remember, you may contact any of the teachers anytime you think you may need a meeting.

Enjoy the three-day weekend!
