

8th Grade Newsletter – 9.28.18

Greetings,

We have a few news items this week.

1. Picture Day is Monday, October 1. Order forms went home with students this week. Please return the order form on Picture Day, even if you are not ordering pictures or place an order online.
2. Congratulations to all the students who ran for Student Council offices. They all acquitted themselves well during their speeches and made decisions difficult for grades 6-8 voters.
3. Students continue gathering sources and information for their Native American research paper assignment. This project refreshes research and writing skills they first learned last year and will help prepare them well for high school.
4. The two completed forms and the \$160 fee for the graduation trip to Chicago are due by Tuesday, October 2. Please make payments payable to St. James School and note “graduation trip” on the memo line. Forms can be found here if needed: <http://www.stjameschoolah.org/teacher/mbilski/>
5. Order forms for the 6th grade taffy apple sale went home with students. Orders are due by October 11. Sales will support the White Pines trip.
6. Our next field trip will be to Coachlite Skate Center in Roselle for the annual Halloween party on October 31. Information and permission forms will be distributed in the coming weeks.

Enjoy the weekend!

Mr. Bilski, Mrs. Esquivel, and Mrs. McCarthy
