

NOVEMBER 2, 2018

I was so proud of all the students last week. They did a terrific job with all the different activities that took place. I was especially proud of the students during the All Saints Mass. They were excited to be a part of this wonderful event.

I am looking forward to meeting with you at our upcoming parent teacher conferences. You should have received your assigned conference time. The scheduled times were sent home with the oldest or only child in each family. Please notify me if there is a conflict with your assigned time

Please keep in mind that the conference time is only 15 minutes. If all your questions or concerns are not addressed in the allotted amount of time, I will be happy to meet with you again at another time.

We will have a math test on Thursday. A review sheet will be sent home during the week. There will be no assigned math homework during the week.
