Check Out What We're Doing.

Religion- We have been busy practicing for our All Saints Mass. Students will be sharing their saint reports during the week.

Reading- We continue our study of fiction books. During the week, we read the Three Little Pigs retold by James Marshall. Students realize that this version of the story was different from what they know. Students discovered that each version of the story had the same elements but different details. Students identified the elements in a story. These elements were used to retell the story. iPad activities were used to retell events in a story.

Grammar. Next week we will finish the unit on nouns. Our unit test will be on Thursday. A study guide will be sent home to help your child prepare for the test.

Math-Next week students will be introduced to related facts and fact families.

Social Studies- Nonfiction books, videos, and smart board activities were used to teach students about fire safety. Students enjoyed the presentation from the fire department. They learned fire safety rules and interesting facts about the life of a firefighter. Students used the information they learned to write 5 fire safety rules.

**The \$1.00 Fun Fair donation is due on Friday October 26th.

Special Notes

The upcoming week will be busy. We will attend a teaser for the band concert. There will also be an Artist Awareness presentation.

During the week we will be practicing safety drills. We will review our lock down procedures and fire drill procedures.

There will be no assigned math homework on Wednesday. Your child can use that time to review for the grammar test.

Saints Mass

Parents are invited to attend the All Saints Mass on Thursday November 1st at 9:00. Students will come to school dressed as their saint. Costumes must be worn over the school uniform. Each child will also need a name tag showing the name of their saint. Please contact me if you have any questions.
