

December 14, 2018

We continue to discuss the importance of the Advent Season. The students placed the second candle on their Advent wreath. We discussed different ways that we can show peace in our world. Students spent time in the chapel with Mrs. Farrell learning about Juan Diego and Our Lady of Guadalupe.

We continue to work on describing nouns using adjectives. Students created a holiday sweater and compiled a list of ten adjectives to describe their sweater. During our math time we are learning how to interpret graphs and read tally marks.

We had a busy week traveling around the world learning different Christmas customs and traditions. During the week the first graders switched classrooms to learn about Christmas traditions in Italy and Germany.

Mrs. McGowan spent time in our classroom. She helped students understand ways that they can have a positive influence on others.

Students enjoyed their technology time. We worked on a challenging coding activity. This activity involved programming the Grinch to complete different tasks.

SJS Christmas Concert- The concert will take place in the Parish Center at 2:00. Students should wear their uniform pants/skirt with a red, green or white top to school. Girls may wear a Christmas dress. Students may also wear Christmas colored accessories that consist of jewelry, bows, headbands, ties, socks etc.

Please no hats of any kind.
