Workshop 2 - Prayer

Dear 2nd Grade Parents,

We talked extensively about prayer this week. Now the students know what the prayer is and how they can pray. They know they can pray anyway, anytime and anywhere!

Like our relationships with our friends, the next thing we might like to do is to know about Jesus' life. Next week, we will talk about what Jesus' house may have looked like and will compare with ours. **Please have your child bring in a picture of their house next Friday.** You may want to discuss physical things about your house. (i.e. heat/air conditioning, building materials, etc.)

Also, the children will have the work sheet "Jesus is coming to my house!" Please work on this with your child. We will have time to share your child's thoughts in the classroom.

We will continue with the same bible verse, so you might want to review it with your child.

John 3:16

For God so loved the World that He gave His one and only Son.

You may want to ask your child if they learned anything new about prayer too!

Once again, thanks to all of our wonderful parent volunteers!
And thank you all for working on this with your child!
