**Important Information** The Catholic Bishop of Chicago (the CBC) and St. James Parish are committed to conducting athletic programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in athletic programs must recognize however, that there is an inherent risk of injury when choosing to participate in athletic activities. The CBC and the Parish insist participants follow safety rules and instructions which have been designed to protect your safety.

Please recognize that the CBC and the Parish do not carry medical/accident insurance for injuries sustained in its' programs. The cost would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the CBC or the Parish automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining medical accident insurance, the CBC and the Parish requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.

**Waiver and Release of all Claims** Please read this form carefully and be aware in registering your minor child/ward for participation in this program you will be waiving and releasing all claims for injuries you and your minor child/ward might sustain arising out of this program.

I agree to waive and relinquish all claims I or my minor child may have, as a result of participating in the program, against the CBC, the Parish and their agents, servants and employees.

I do hereby fully release and discharge the CBC, the Parish and their officers, agents', servants and employees from any and all claims resulting from injuries (including death), damages and losses sustained by me and my minor child/ward or arising out of, connected with, or in any way associated with the activities of the program.

In the event of any emergency, I authorize the CBC or Parish officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for my minor child's immediate care and agree that I will be responsible for payment of any and all medical services rendered.
