Hello Parents,

Last week in Religion class, the students started to discuss [Chapter 13, Nourished by the Eucharist](#). In this chapter, we will study the Crusades. Students will also explore the historical development of the Sacrament of the Eucharist. They also reflect on the celebration of the Mass as a memorial of Jesus' sacrifice on the Cross.

There will be a test on this chapter next Thursday, 3/21. If your child will be leaving early for Spring Break, please let us know so they can take the test ahead of time.

Please also remind your student to be completing and turn in their Confirmation Service Hour Forms, which are due by April 4th. That is the Thursday after Spring Break and will be coming up quick!
