

8th Grade Newsletter – 3.8.19

Greetings,

We have just a bit of news this week.

1. Retake day for graduation pictures is Tuesday, April 2. The photographers will be ready to begin at approximately 8:35 that morning. Any students who missed picture day last month will be photographed on April 2. The same picture dress code as originally communicated will apply, and students will change into school uniforms immediately after pictures are taken.
2. Proofs for graduation pictures should be available soon.
3. All parents should have received an e-mail from Religious Education about the Confirmation meeting and rehearsal on April 7.
4. We began our Lenten journey with Mass on Ash Wednesday. Fr. Matt's message to us is a reminder to make Lent this year not about "giving up" something, but focusing instead on deepening our relationship with Jesus through prayer, service, and fasting. His message and Lenten opportunities at St. James may be found here: <http://www.stjamesah.org/lent-2019-2>

Enjoy the weekend!
