

Dear St. James School Eighth Grade Confirmation Families,

We hope you and your child are getting as excited as we are for his/her Sacrament of Confirmation in April! We know that your child has been working diligently in religion class to prepare over the last two years and he/she is finishing their final preparations.

It has come to our attention that a Confirmation Sacrament fee was not assessed at the beginning of the year with Orientation Day fees. Like the First Holy Communion Sacrament Fee, there is a \$40 Sacrament fee for Confirmation as well. This fee applies to all students at St. James School, Religious Education and for non-parishioners. The Sacrament fee for Confirmation is assessed to cover a portion of the costs related to planning and administering the Confirmation Masses. Some examples of the costs are fees for the Bishop and the Seminarian or Priest who assists the Bishop for the Confirmation Masses, musicians, photographer, program printing, stoles, nametags, Confirmation certificates, seat assignment labels, letters and postage to Parishes where students may have been baptized post Confirmation.

Please submit \$40 check payment (payable to St. James Parish) or cash to your child's 8th grade teacher by Friday, April 12, 2019 for this Sacrament fee.

If you have a concern or need financial assistance, please contact the St. James Controller, Barbara Krawczyk, at bkrawczyk@stjamesah.org or 224-345-7239.

Peace & Blessings,

*Carrie Conley & Rebecca Linscott, St. James Religious Education Co-Directors
