8. Your child must be signed out by an authorized person whose name is on file unless prior arrangements have been made.
9. If your child will not attend TASC on a specific day, please inform us by email or phone.

10. If there are continual behavior issues or non-compliance with our new protocols, we reserve the right to deny a student continued participation in TASC.

11. Please read the following carefully:

Due to COVID, children will not be able to play with each other than a board game for two players at an acceptable distance. We are working on acquiring indoor and outdoor equipment for children to occupy them while in TASC, such as hula hoops, jump ropes, building sets, etc. The equipment will be disinfected every day.

We will no longer allow balls, toy trucks, train sets, etc. that attract children to play too closely with each other. We also are not permitting children to share crayons, markers, pencils, etc. We encourage you to send your child with their own coloring supplies, toys for one, or electronic devices. Doing homework is encouraged. ANY TOYS OR SUPPLIES BROUGHT FROM HOME MUST BE DISINFECTED BEFORE COMING BACK TO TASC.

We are hoping for more allowable activities once the COVID pandemic has ended and we are deemed safe to do so. We know this is a difficult time for children to not be able to socialize and play as in the past, but we appreciate your understanding and cooperation during this time.
