

December 1, 2018

Check out what we're doing.

Religion- We are getting ready for the season of Advent. We discussed how we can prepare our hearts during this Season. Students made an advent wreath. We will place a candle on the wreath each week and discuss the message for that week.

Social Studies- We are getting ready to travel around the world. During our travels we will learn about Christmas traditions and customs practiced in other countries. We will visit Holland, Ireland, England, Sweden, Italy, Germany and France. Students will learn information about each country and complete a Christmas craft for each country we visit.

Math- Students were introduced to different ways to find the sum of 3 numbers. We spent time reviewing strategies for addition. Our test on addition strategies will be Thursday.

Grammar- We continue to learn about the various parts of speech. Adjectives will be introduced during the week. Students will discover how adjectives help to form an image for readers.

Reading- Different books with Christmas themes will be read each day. We will discuss each book and complete a related activity.

Tech Time- Mrs. Zebon discussed internet safety with the class.
