Check Out What We're Doing

Religion- Students learned that the Holy Spirit is God's gift to us. They understand that the Holy Spirit is a part of the Trinity. The concept of three persons in one was introduced. We watched a video to help explain this concept. Students also created a visual to show the three parts of the trinity.

Reading – Students were excited to pick books for their book baskets. They used the 5-finger rule to choose good fit books.

Math- We finished the first chapter in our math book. Students will complete a review sheet in class on Tuesday. You can use this as a review at home. Our test will be on Thursday. There will be no other assigned homework during the week.

Writing- Students completed a thank you note to send to the owner of the apple orchard. We will be using an iPad app called Story Patch to complete books about our trip to the apple orchard. Students completed a rough draft during the week. Next week we will be using the iPad to type the stories and add illustrations.

We have completed our first unit in our grammar books. Students will complete a review in class. Our test will be on Wednesday.

Science- We have completed our apple unit. The students enjoyed tasting the different types of apples and sampling the apple sauce.

.....
YOUR CHILD WILL NOT RECEIVE A READING CALENDAR OR SPELLING WORDS THIS WEEK. THERE WILL BE NO ASSIGNED MATH HOMEWORK. WE WILL BE SPENDING TIME REVIEWING FOR OUR MATH TEST AND GRAMMAR TEST.

Special Notes

*Monday is a Spirit Wear Day. Please see the Friday Fodder for acceptable clothing.

* Please remember to have your child complete the homework on the back of the reading calendar. This should be completed every Wednesday night.

* Picture Day is Monday, October 2. This is a dress up day for students. Information will be sent home during the week.
