

## 8th Grade Welcome Back Reminders – 8.24.20

Hello 8th Grade Students and Parents!

We cannot believe that you will be back in the building in the morning and we are looking forward to seeing you! We just wanted to pass along a few quick reminders before school tomorrow.

1. When students arrive at school and pass the temperature check, they should then head directly to their homeroom to find their assigned desk. Students will not go to their locker until released by the homeroom teacher. This is how it will work on a daily basis to help avoid any congestion in the hallway or additional crossover of cohorts.
2. Students should make sure to bring their iPad to school tomorrow. Please make sure you charge it overnight so it is ready to go. All iPads will be collected at the end of the day so that Mrs. Zebron can update them for the new school year. If a student has anything on their iPad that they would like to save they should probably put it on a separate device. Students will have their iPads returned to them on Wednesday after they return the Student Technology Contract (we will discuss this form tomorrow).
3. Students will be allowed to keep their backpacks on the back of their chair as extra storage. They will also be able to use their desk for storage this year since they will not be changing classrooms throughout the day like normal. Very little will be kept in the lockers this year. The classroom will be like home base for the students and they will be able to get supplies from their lockers only when necessary.
4. Finally, we will send out an 8th Grade Newsletter via email on a regular basis to keep you updated on anything specific to 8th grade. But along the way, if you have any questions that come up please feel free to reach out to us.

It's going to be a unique school year, but we hope to make it a positive and memorable one for the students as well! Welcome back!

Your 8th Grade Homeroom Teachers,

Mrs. Esquivel  
Mr. Bilski  
Seniorita Tomko
