

## 8<sup>th</sup> Grade Newsletter – 1.15.21

Greetings,

We have a few news items and reminders this week.

1. We look forward to a return to in-person learning next Tuesday.
2. School picture retakes are scheduled for Tuesday, January 19, but graduation pictures are usually taken during the first week of March. The date for graduation pictures will be communicated once it is finalized by the photographers. It's not too early to start thinking about attire for those milestone pictures.
3. Information about Confirmation will be forthcoming as soon as things are set in place.
4. News concerning all things graduation will be shared over the course of the next month or so. We will keep you posted as soon as details are available.
5. In the event that you are planning to leave town with SJS students, please be sure to notify Mr. Kendrick and the school health office in addition to teachers.
6. Please consider encouraging student attendance for the Children's Rosary each week. This is student-led and a great way to pray with peers and for individuals to access the many benefits of praying the Rosary.

Enjoy the three-day weekend!
