

8th Grade Newsletter – 2.12.21

Greetings,

It is a slow news week at SJS, and we have just a few notes.

- Please be sure to read the COVID and spring break guidelines updates that Mr. Kendrick sent out earlier this week and complete the spring break questionnaire by February 19.

- Thanks to all families who contributed items for Help USA Troops during Catholic Schools Week (and some additional items this week). We had an overwhelming response. Once again, the St. James community stepped up to help others in a big way.

- Information regarding graduation activities will continue to be shared as it becomes available.

Enjoy the three-day weekend!

Mr. Bilski
Mrs. Esquivel
Senorita Tomko
